

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

As a customer of DIRECTV, I am writing to urge you to support the pending merger of EchoStar and HUGHES, the parent company of DIRECTV. I believe the merger will increase video and broadband choices for consumers like me.

The combined company will be a much stronger competitor to cable operators by being able to offer me local TV channels via satellite in my market area, which I currently do not receive.

I currently have broadband access to the Internet, but the combination of EchoStar and HUGHES will result in increased competition in the broadband market, and allow high speed connections in the rural areas of the state.

I appreciate your consideration of my views.

Sincerely,

Ryan Kensrud
